## Series Synopsis

St. Kleio Academy is a very exclusive school: all of the students are clones of famous historical figures such as Beethoven, Queen Elizabeth I, Napoleon, Mozart, and Freud. All of them, that is, except for Shiro Kamiya. As Shiro struggles to adapt to this unusual campus, St. Kleio's first graduate, a clone of John F. Kennedy, is killed. Are the clones doomed to repeat the fate of their genetic progenitors, or can they create their own destinies? And how does a normal boy like Shiro fit in?

## Series Synopsis

Jimmy Kudo, the son of a world-renowned mystery writer, is a high school detective who has cracked the most baffling of cases. One day while on a date with his childhood friend Rachel Moore, Jimmy observes a pair of men in black involved in some shady business. The men capture Jimmy and give him a poisonous substance to rub out their witness. But instead of killing him, it turns him into a little kid! Jimmy takes on the pseudonym Conan Edogawa and continues to solve all the difficult cases that come his way. All the while, he's looking for the men in black and the mysterious organization they're with in order to find a cure for his miniature malady.

## Series Synopsis

In a city so dismal it's known only as "the Hole," a clan of Sorcerers has been plucking people off the streets to use as guinea pigs for atrocious "experiments" in the black arts. In a dark alley, Nikaido found Caiman, a man with a reptile head and a bad case of amnesia. To undo the spell, they're hunting and killing the Sorcerers in the Hole, hoping that eventually they'll kill the right one. But when En, the head Sorcerer, gets word of a lizard-man slaughtering his people, he sends a crew of "cleaners" into the Hole, igniting a war between two worlds.

## Series Synopsis

Far in the future, humankind has evacuated the earth in order to preserve it. Humans now reside in a gigantic structure that forms a ring around the earth, thirty-five kilometers up in the sky. The society of the Ring is highly stratified: the higher the floor, the greater the status. Mitsu, the lowly son of a window washer, has just graduated junior high. When his father disappears and is assumed dead, Mitsu must take on his father's occupation. As he struggles with the transition to working life, Mitsu's job treats him to an outsider's view into the living-room dioramas of the Saturn Apartments.

# I'll Give It My All...Tomorrow SIG

Story and Art by Kanoko Sakurakoji

## Series Synopsis

This is the story of a forty-year-old salaryman who quits his job to pursue his dream of becoming a manga artist—and the family that has to put up with him. While not terribly unhappy, Shizuo Oguro can't fight the feeling that something in his life just isn't right, so he walks away from his stable (yet boring) day job to embark on a journey of self-discovery. Unfortunately for his family, this journey also involves playing video games all day while his teenage daughter and elderly father support him. Will Shizuo succeed in creating a true manga masterpiece, or will he be just another dropout living a life of slack?

Cross Game is a moving drama that is heartfelt and true, yet in the brilliant hands of manga artist Mitsuru Adachi, delightfully flows with a light and amusing touch. The series centers around a boy named Ko, the family of four sisters who live down the street and the game of baseball. This poignant coming-of-age story will change your perception of what shonen manga can be.

## Series Synopsis

Jonah is a child soldier, born amidst the chaotic conflicts that rage across West Asia, his family lost to a war fueled by weapons supplied by the so-called Merchants of Death—international arms dealers. Despite Jonah's hatred of weapons and violence, he employs both extremely well in the service of high-flying arms dealer Koko Hekmatyar and her band of mercenaries. Their journey through the dark underbelly of the world's arms markets may lead only to damnation, but will Jonah one day make his way back to the light? Only one thing is certain: it's going to be a long, hard road out of hell...

## Series Synopsis

Average human teenager Tsukune accidentally enrolls at a boarding school for monsters—no, not jocks and popular kids, but bona fide werewolves, witches and unnameables out of his wildest nightmares! On the plus side, all the girls have a monster crush on him. On the negative side, all the boys are so jealous they want to kill him! And so do the girls he spurns, because he only has eyes for one of them—the far-from-average vampire Moka. On the plus side, Moka only has glowing red eyes for Tsukune. On the O-negative side, she also has a burning, unquenchable thirst for his blood...

Written by Hiroshi Yamamoto

## Synopsis

In a world where “monster-related disasters” are common, the meteorologists come tough. In Japan, a center of monster activity, a special anti-monster unit called the Meteorological Agency Counter Anomalous Organism Unit (MCU) has been formed to predict where monsters will strike, which form they will take, and to fight against their rampant destruction.

- Came in second in 2007's Best SF award (*S-F Magazine*)
- Adapted into the live-action TV show in Japan
- Yamamoto's work has appeared in English before with *The Stories of Ibis* and on *Words Without Borders*, a leading online magazine
